INSTRUCTIONS FOR INTERLOCUTORS

[Start the test with the following]

Good morning/afternoon. My name's.....

Could you tell me your name, please?

[Begin test]

SECTION 10 (1.5 minutes)

[Put one of the main prompts to the test taker and allow them to speak continuously for up to 1 minute. Use the related follow-up prompts to encourage them to continue talking]

Now I'd like you to speak on your own for about 1 minute.

Main prompt 1: • Tell me about an interesting place I could visit in your country.

Follow-up prompts:

- What other kinds of places do you like visiting?
- Which places in your country are popular with tourists?
- What kinds of souvenirs do tourists buy there?
- Do you think tourists bring more advantages or more disadvantages to the places they visit?

Main prompt 2: • What kinds of special occasions do you enjoy celebrating?

Follow-up prompts

- What's the most popular festival in your country?
- Which clothes do you wear for special occasions?
- How do people usually celebrate weddings where you live?
- What future celebration are you looking forward to and how would you like to celebrate it?

Main prompt 3: • Tell me something about the kinds of food you like and dislike.

Follow-up prompts

- How good are you at cooking?
- Do you enjoy eating in restaurants? Why / why not?
- Which meal do you think is the most important of the day?
- Why do you think fast food is so popular with young people?

Main prompt 4: • Can you tell me something about which clothes are in fashion at the moment?

Follow-up prompts

- Where do you like to buy your clothes?
- How important is it to you to be fashionable?
- Which clothes do you think will be fashionable next year?
- Why do you think fashions change from year to year and from generation to generation?

SECTION 11 (2 minutes)

Now, we are going to discuss something together. The question is:

“Is it better to shop in small shops or in supermarkets?”

What do you think?

[Use the following arguments as appropriate to take an opposing view to that of the test taker]

For using small shops

- You get to know the people who run the shops and the people who shop there.
- The fruit and vegetables in small shops come from the local area.
- It's convenient to shop near your home and you don't need transport.
- Local shops bring the community together.

Against using small shops

- It's easier to buy everything in one place.
- Supermarkets are usually cheaper than local shops.
- You get a bigger choice in supermarkets.
- Supermarkets often have large car parks.

SECTION 12 (1.5 minutes)

Now, here is a picture of a family at home. Please tell me what you can see in the picture.

[Hand the picture to the test taker]

[Allow the test taker to speak for about 45 seconds, then put this secondary prompt]

Please tell me how the father (outside) is feeling and what you think is going to happen in a minute.

[Retrieve the picture]

SECTION 13 (2 minutes)

Now we are going to take part in a role play. Here is a card with the situation on it.

[Hand the card to the test taker]

[Allow up to 15 seconds to study the card]
